subconscious reprogramming

Give your audience the gift of
immediate empowerment.

ODILLE REMMERT

International Master Mindset
Coach, Speaker, Author.

Why Do Some People Succeed and Others Don't?

Changing the roots of limiting beliefs, instead of the symptoms.

Odille explains the physiology of success.

The neuroscience of gaining complete control over your cognitive thinking... and, in turn, your ability to notice opportunities, make wiser decisions, and take the strategic action that will lead you to the results you want.

ABOUT ODILLE REMMERT

Why book Odille for your event?

Inspiring, warm, and engaging, Odille Remmert is an international mindset coach, speaker, and author, who has a gift for connecting with an audience that allows for powerful transformation.

Her ability to bridge the gap between neuroscience and overcoming life's challenges to achieve dreams and goals, empowers all audience members to start experiencing transformation, immediately, in the room.

Odille's passion is helping individuals to step into their authentic power by gaining control over their physiology and by changing the roots of limiting subconscious beliefs.

POPULAR TOPICS ODILLE SPEAKS ABOUT

The Physiology of Success

Using the latest in neuroscience to make achieving goals easier and faster.

Finding Your Roar

Finding your Power by changing limiting beliefs to empowering ones – through changing the subconscious root of the belief, rather than just the symptom.

The 2-Minute Brain Exercise that will Improve Your Finances

Harnessing the power of your brain to improve your risk assessment, decision-making, judgment, creativity, communication, and productivity, to improve your finances.

What Others are Saying About Odille

From Event Planners

“Our members got so much out of Odille's presentation. Everyone was engaged, and left with new information, exercises and techniques that clearly work, as we experienced during the participation and live demonstration. We received great feedback from our members on the value Odille brought to our event, and we look forward to having her back in the future.

- Lori Palmer, Co-founder at WE WIN and Director of Operations and Creative Services at Chicago REIA

“Odille breaks down the content in such a way that it is easy for anyone to understand. She speaks in a comforting way that makes it easy for people to open up and best of all it all works! I highly recommend her.

- Farrah Ali, Co-founder at WE WIN, (Women Entrepreneurs, Women's Investor Network), Chicago

“My favorite part of the whole presentation was the 1-2 minute meditation exercise which truly works! I use it very often when I'm feeling down or need a quick pick me up. It's truly a game changer for immediate pick me ups. Hearing Odille speak was not only inspirational but very educational as well. Definitely recommend it.

- Gina Diaz, Co-founder at WE WIN and Attorney at Diaz Case Abogados, Chicago

From Audience Members

“I was really inspired and empowered by Odille's explanation about how much power I have over my brain, and just understanding the simple process it takes for me to change my thoughts and actions, to get what it is I want to achieve.

“She helped me to unlock my brain. I have a chatty brain, and she just helped me to calm it down, and I really feel like I'm going to accomplish my 2020 dreams this year. I'm really grateful and thankful for this seminar.

“I'm so happy Odille took me up on stage. I have had problems with this one particular memory for years, and she's completely blown it out of the water... (Odille) made me empowered... that's how she left me - completely powerful. It was amazing, truly amazing...
