

WEBINAR WORKSHOP

Create Dramatic Change Fast

Learn how to get into The Vortex and onto the High-Flying Disk – Instantly and Easily – at will, no matter what – and stay there!

Have you been doing all the **positive thinking** you can, with little or no results? Do you find it difficult to remain positive amongst “what is” and negative people? Are you struggling to get into **The Vortex** or onto the **High-Flying Disk**?

As Abraham says, you need to think positive thoughts and stay away from negative ones, in order to access everything you’ve accumulated in your Vortex. But it’s not always possible to avoid “what is” – especially when you’re working in it, and living it.

Well, I’ve found the “skeleton key” to everything! 😊 It’s the key that **gets you into The Vortex – no matter what**, right in the middle of negativity, right in the middle of fear, worry, anxiety, anger, frustration – and transforms your state to bliss. Right there, **in the moment**. It’s like pressing a button and being beamed into The Vortex and onto the High-Flying Disk.

It’s a **simple technique** that takes practice to learn to “tune in” And as you practice it, you develop your ability to the point where you can **literally jump into the Vortex at will** – right in the middle of an argument, or right in the middle of feeling lack. And of course, as soon as you get into the Vortex your point of attraction changes in that instant. And as soon as you get onto that high-flying disk, you only rendezvous with people and situations on that high-flying disk! 😊

My name is Odille Rault, life coach and author of the books “The Magic Pill”, “The Second Dose” and “Beyond the Magic Pill”. Over the past 8 years, I’ve helped many people from various backgrounds and belief systems, transform their lives using **the power of unconditional love**. Most people think of unconditional love as an emotion that you’re either able to feel, or not, but in fact, unconditional love is the name given to the feeling we get when we’re channelling our **power** – when we’re in the **Vortex**. And it can be learned and practiced and improved to **expert level!** 😊

Using the techniques I’ll share with you, you will no longer be affected by “what is” You will be able to **hold your high vibration regardless of what is happening around you** – regardless of who you’re with, what they’re saying, what they’re doing, what thoughts come to you – you will be able to get into the Vortex instantly, whenever you want to, and stay there.

These are just some of the results
I have already achieved with my students:

- **Healing** the body
- Manifesting **events**
- Unsolicited and “out of the blue” **apologies from difficult people**
- Transformed **relationships**
- Dream **jobs**
- Unexpected **money**
- An overall general feeling of **happiness**
- No more fear, worry, negativity or anxiety
- Getting into (and staying in) **The Vortex** and getting onto (and staying on) **The High-Flying Disk**
- An increase in **synchronicity**
